Prasad GUPTA CONTRACTING (L.L.C)

براساد جوبتا للمقاولت (ش. ذ. م. م.)

A construction site with workers in hard hats and safety vests. In the foreground, two workers are looking at blueprints. In the background, there are cranes and a building under construction.

Company Information

"It is not the beauty of a building you should look at; it's the construction of the foundation that will stand the test of time."

Welcome

Prasad Gupta Contracting (I.L.C)

Leading Construction Company Since 2005

- **BUSINESS NAME** Prasad GUPTA CONTRACTING L.L.C.

Introducing company

Prasad Gupta Contracting Co. L.L.C has been a prominent player in the field of building construction since 2005. We have successfully executed a diverse range of projects across the United Arab Emirates, in Dubai.

- **Towers**
- **Multi-story residential and commercial buildings**
- **Villas**
- **Mosques**
- **Sheds**
- **Showrooms**
- **Warehouses**

Our commitment to quality and reliability has earned us the trust and confidence of our clients and consultants. This strong foundation of trust has enabled us to complete over 100 projects. A comprehensive list of our major completed projects and those currently in progress is enclosed for your reference.

History & Philosophy

General Manager J. P. Gupta, is fully equipped to execute and complete any project on time. If additional manpower is needed, we have access to the group's extensive resources to supplement our workforce. With our experience, resources, and commitment to quality, we are well-prepared to handle any project you may consider us for. We are proud to be recognized as one of the leading construction companies in the UAE.

Mission & Objectives

We have established corporate principles and objectives that align with our mission, including:

- Conducting successful operations and establishing a significant presence in the construction industry through carefully planned expansions in strategic locations.
- Building long-term, mutually beneficial relationships with property owners.
- Maintaining a competitive edge through innovation, quality, service, pricing, and effective problem-solving.
- Recognizing the value of intellectual capital by systematically upgrading company management and personnel.

Our Values

We understand the strong connection between employee qualifications, motivation, and the success of our company. As a result, we actively encourage and sponsor our employees in training and further education, as they are integral to our overall success. We also invest in and utilize the latest technologies and equipment where appropriate to enhance the efficiency and quality of our building projects.

- Why Choose PGC Building?
- We prioritize open communication between management and staff throughout the construction process, ensuring transparency and collaboration at every stage.

Managing Construction Sites

Construction projects present complex management challenges. To effectively manage these projects, construction managers need accurate and timely progress information to address problems and delays as they arise.

In the construction industry, management is defined by three key functions:

Planning the Work

**Organizing People and
Processes around the Work Plan**

**Monitoring Behavior's
and Results**

Our construction managers perform these functions daily. Effective managers excel at planning, organizing, and monitoring. Great managers, however, go a step further—they consistently motivate their teams. This is leadership in action. We believe that everyone who oversees subordinates in construction is both a leader and a manager. They must lead while also carrying out specific managerial tasks, as these responsibilities are integral to their role. Managing for profit in our industry is not akin to military-style leadership; it requires a different approach. In our contracting business, all our employees are encouraged to embody this balanced leadership-management style.

The Customers

Owner satisfaction is one of our top priorities, and we are continuously increasing our efforts to enhance quality throughout the construction process. Committed to success, we have established long-term, sustainable relationships with our partners and clients. Our ultimate goal is to achieve customer satisfaction consistently.

Organizational Structure

Executive Management

- **CEO/President:** Overall strategic direction and company leadership.
- **COO:** Oversees daily operations and project execution.

Project Management Office

- **Project Director:** Manages multiple projects and ensures alignment with company goals.
- **Project Managers:** Handle specific projects, including planning, execution, and delivery.

Engineering and Design

- **Chief Engineer:** Oversees engineering practices and design standards.
- **Architects:** Design project layouts and aesthetics.
- **Engineers:** Focus on structural, mechanical, electrical, and civil engineering aspects.

Construction Teams

- **Site Managers:** Supervise day-to-day site operations and manage workforce.
- **Foremen:** Lead specific trades and ensure tasks are completed according to plans.
- **Construction Workers:** Perform hands-on construction tasks.

Quality Assurance and Control

- **QA/QC Manager:** Ensures construction meets quality standards and specifications.
- **Inspectors:** Conduct regular inspections and quality checks.

Safety and Compliance

- **Safety Manager:** Develops and enforces safety protocols and procedures.
- **Compliance Officer:** Ensures adherence to regulations and standards.

Support Services

- **Procurement Manager:** Manages purchasing and supply chain.
- **Administrative Staff:** Handles documentation, scheduling, and communication.
- **Financial Manager:** Manages budgeting, accounting, and financial reporting.

This structure ensures efficient project management, quality control, safety, and overall operational effectiveness in construction projects.

Services

The client benefits from quality service and reasonable rates. We are committed to offering the best possible price to expand our customer base.

Building Construction Works:

- Block work and plastering
- Marble and ceramic installation
- Painting and finishing
- Gypsum false ceilings and partition work
- Villa renovation and decoration
- R.C.C. (Reinforced Cement Concrete) work
- Masonry work
- Interlock and curb stone installation

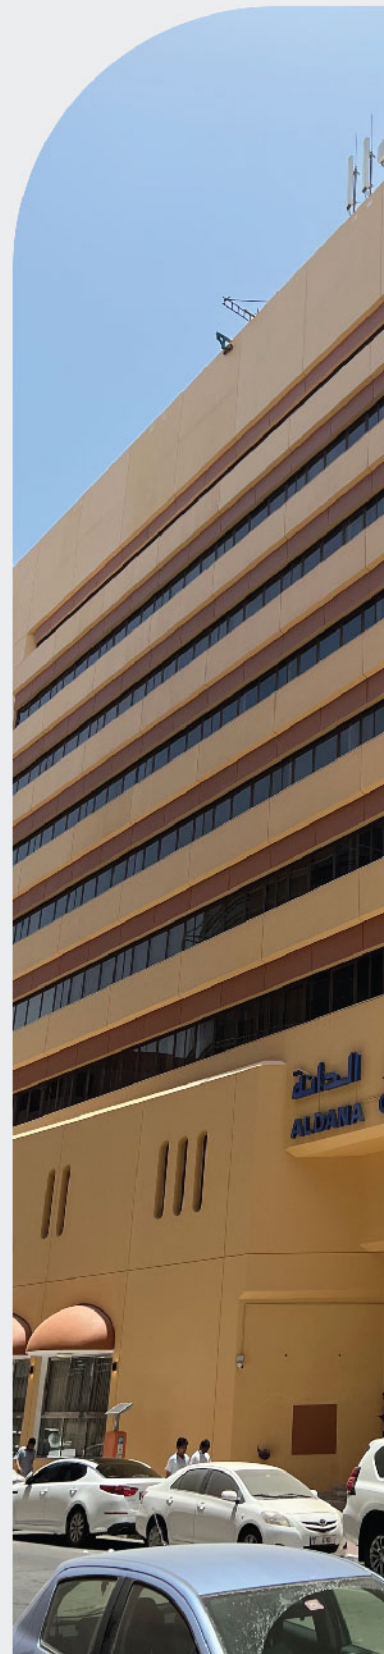

Architectural Works:

- Design and drafting of building plans
- Interior and exterior space planning
- Facade design and treatments
- Selection and installation of finishing materials (e.g., marble, ceramic, paint)
- Gypsum false ceilings and partition design
- Renovation and restoration of existing structures
- Decorative elements and detailing
- Landscape design and integration

Electrical & Mechanical Works:

- Electrical wiring and installations
- Lighting systems and fixtures
- Power distribution and panel boards
- HVAC (Heating, Ventilation, and Air Conditioning) systems
- Plumbing and sanitary installations
- Fire alarm and security systems
- Electrical testing and troubleshooting
- Maintenance and repair of mechanical systems

Completed Project

"From blueprint to reality, construction is where dreams take shape."

Project 101

Our starting project with
sub contractor in **2005**

Project 102

Renovation G+M+2 Building on plot No. 118-541 at Naif,
Owner Mr. Mohammed, Khalid, Yousuf & Abdulla
Abnaa Ahmad Mohammad Musabah Belqazi.

Project 103

Owner : Mr. Abbas Redha Abbas Hussain, Abdulla Redha, Abbas hussain

Consultant : Al Rafdeen Engineering Consultants

Project : G+1 Villa, Servant Block & Compound wall

Location : At Al Barsha South Second, Dubai. Plot No.672-3808

Project 104

Owner : Mr. Jumma Sulaiman Jumma

Consultant: Al Rafdeen Engineering Consultants

Project : G+1 Villa, Servant Block & Compound wall

Location: At Oud Al Muteena Second, Dubai. Plot No

Project 105

Owner : Mr. Hareb Ahmed Abdulla, Mohd Aldahmani

Consultant: High Art Engineering Constlants

Project : G+1 Villa, Servant Block & Compound wall

Location: Al Barsha South Second, Dubai.

Plot No. : 6720663

Owner : Ahmed Abdulla, Ahmed Hareb

Consultant: High Art Engineering Consltants

Project : G+1 Villa, Servant Block & Compound wall

Location: Al Barsha South Second, Dubai. **Plot No. :** 672665

Project 106

Project 107

Owner : Mr. Hassan Ahmad Moosasanoor

Consultant: Rafedain Engineering Consultants

Project : Construction of G+1Villa, Servant Block & C/Wall

Location: Nadd Al Hamar, Dubai, U.A.E., **Plot No. :** 4161931

Project 108

Owner : Ahmad Mohd Abdulla Abdulrahim Al Nooryani

Consultant: Consulting Talent Engineering Consultants

Project : G+1 villa + Kitchen Block

Location: Al Khwaneej Ind, **Plot No. :** 281-5106

Project 112

Owner : Mr. Khamis Mohahhed Khamis Zayed

Consultant : High Art Engineering Consultants

Project : G+1 Villa with compound wall

Location : Plot No. 376-163 at Al Barsha 2nd , Dubai

Project 113

Owner : Mr. Faisal Ahmad Abdulrahman Ahmad Al Malik.

Consultant : AL MANHAL ENGINEERING CONSULTANTS

Project : Villa G+1 & Service block

Location : Plot No. 4220659 at Al Warqa'a second, Dubai

03/11/20

Project 115

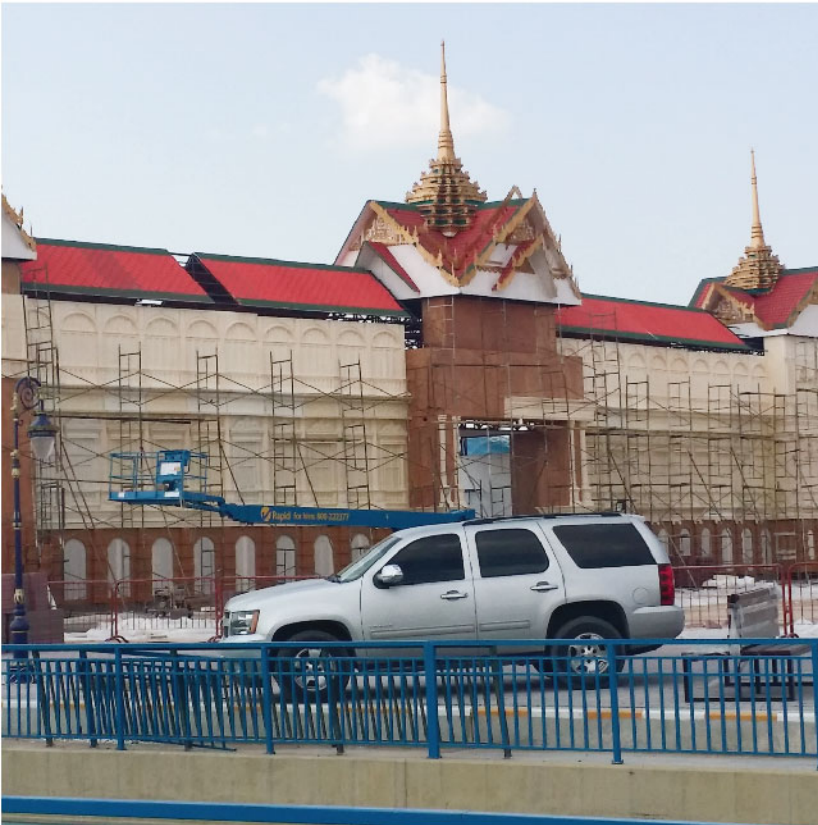

Owner : Mr. Ismail Mohd Mahdi Bin Obaid

Consultant: Al Rafedain Engineering Consultants

Project : Villa G+1 & Kitchen Block

Location: Plot No.# 266-1185, at Oud Almuteena
2nd, Dubai.

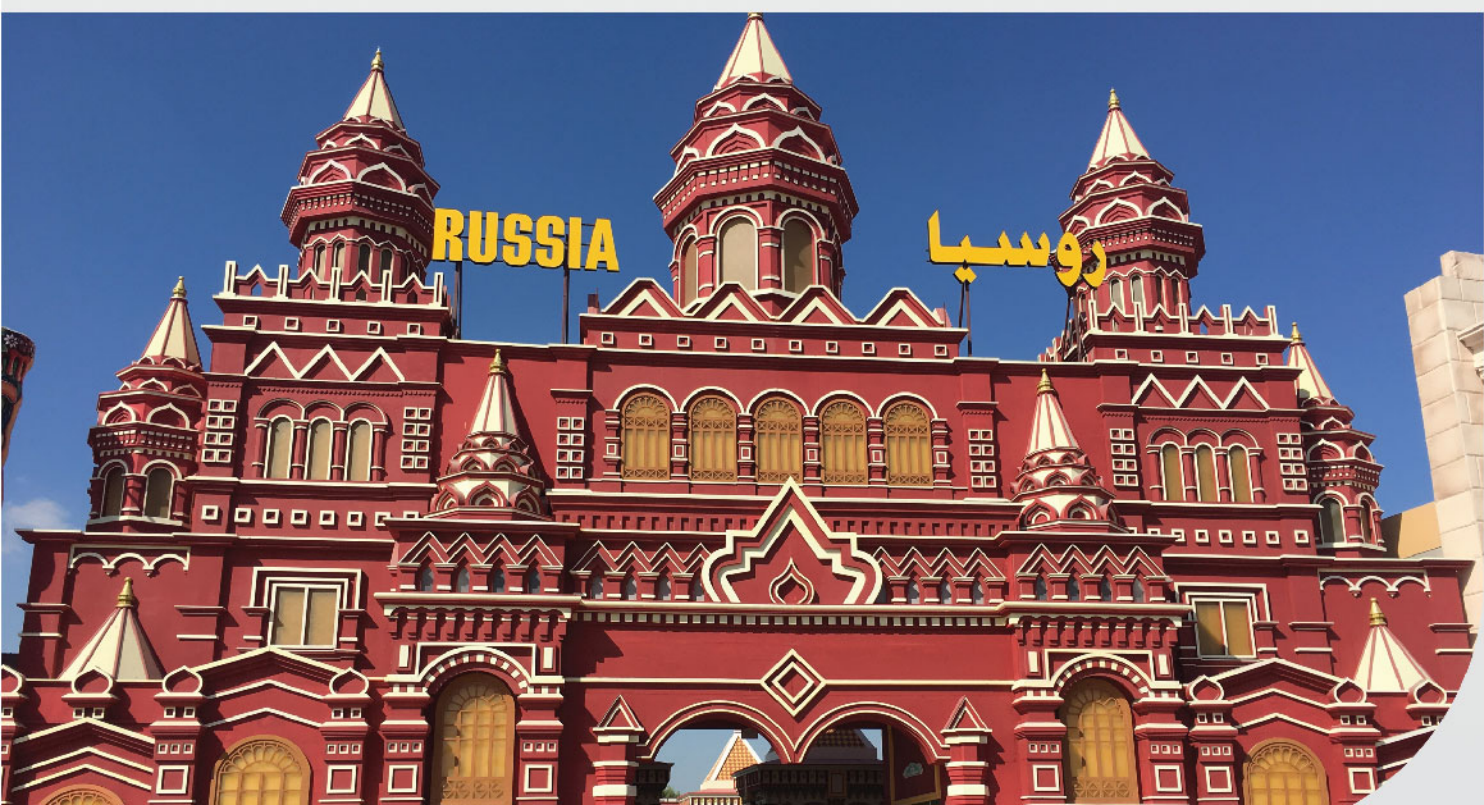

القرية العالمية
Global Village

Global Village

Pavilions, Restaurants, Railway Market & Floating
Restaurant from 2007 to 2025

Owner : Mr. Ahmad Essa Yousuf Murad

Consultant: High Art Engineering Consultants

Project : G+1 villa with compound wall

Location: Plot No.# 220506 at Al Warqa'a 2nd,

Dubai

Project 116

Project 117

Owner : Mr. Jaber Humaid Abdulla Khalifa Alshaer

Consultant: Al Rafdeen Engineering Consultants

Project : Add Ground Floor Villa with Compound wall

Location: Muhaisnah first, Dubai. **Plot No. :** 2610891

15/06

Project 118

Owner : Mr. Abdulla Mohd Abdulrahman Nasralla Al Aref

Consultant: Klick Engineering Consultants

Project : G+1 Villa + Kitchen Block & Compound Wall

Location: Plot No.# 281-5075, at Al Khwaneej Frst, dubai
